There were just too many good pictures from this year's convention to include in the fourth quarter issue of the Tar Heel Van.

Enjoy this convention photo album!

Yes, I devoted a whole page to these two pictures. Two guys who HATE having their picture taken.

Horace Gilbert of Patterson Storage Warehouse is to the right (very good picture) and Steve Rhodes of Nilson Van & Storage is below. Steve NEVER smiles in pictures, so this had to be shared.

Y'all can kill me later!
